## Hike Ontario Summit

The Hike Ontario Annual Summit will take place in Elliot Lake from Friday, September 30th evening to Sunday, October 2nd. Most of the business and presentation sessions will take place on Saturday, October 1st between 8:30 am and 4:00 pm. Schedule as follows: 8:30 am-business meeting; 9:30 am-Presentation Sessions including Trail Expo (AV presentation), Elliot Lake Experience; Hike Leadership and Insurance; noon hour lunch break and hike; 1:00 pm "Table Talk" sessions with the following topics being discussed: challenges of building/maintaining a long distance trail; volunteer recruitment and management; hiking experiences in Elliot Lake; living with wildlife; challenge the north; land stewardship; geocaching; 3:30 pm closing remarks. Registration is \$10 online at [www.hikeontario.com](http://www.hikeontario.com) or mail to Hike Ontario.

## Can You Help??

The Voyageur Trail Association needs a Recording Secretary! This is the type of behind-the-scenes type of job that anyone who can type can volunteer for. The VTA Coordinating Council meets 3 times a year in different locales and we usually have access to equipment that would allow someone to "attend" from their own hands-free phone in their own home, anywhere in Ontario!

Here is an "official" list of what the VTA Recording Secretary is expected to do:

- Records, prepares and distributes the minutes of all meetings within 30 days of their occurrence (typically by email).
- Assists the President in preparing the agenda for meetings, and distributes the same at least one week before the meeting (again, by email).
- Prepares general correspondence as requested by any member of the Council. (Most of our Council are self sufficient when it comes to doing their own correspondence--so this isn't a big deal.)

So if you have always thought that you would like to help out and have typing skills and access to the Internet, we would LOVE to hear from you! Contact any of our Vice-Presidents on the back page of this newsletter or send an email to: [info@voyageurtrail.ca](mailto:info@voyageurtrail.ca)

## Robertson Creek Dump Clean – Up Project

*Illegal dumping is a common issue on both public and private land within the Goulais Tertiary Watershed. Dump sites are eyesores on the landscape, damaging to wildlife habitat, and can also contain materials that are hazardous to the community's health and safety.*

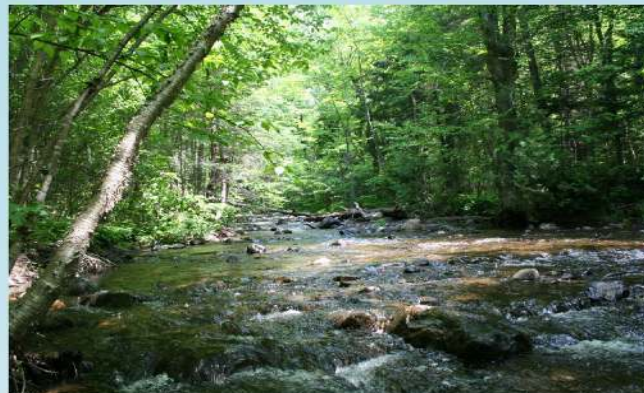

### Before

Looking down at  
the dump site  
from Robertson

A big thank you to  
our friends at the  
Algoma Highlands  
Conservancy for  
cleaning up  
Robertson Creek  
and keeping the  
Voyageur Trail  
system beautiful  
and safe!!

The creek is now tire free! It is also  
safe from dangerous leaching from the  
nearby dump site....

## Hike Leaders Course in Elliot Lake *by Gerry Jean*

On Saturday May 7<sup>th</sup>, 2011 eighteen hearty souls signed up for the all day Hike Leaders course. The event was held at our club house and the hikes took place on the nearby trails. The sun shone all day and even the black flies and mosquitoes did not dare interfere.

The level of experience varied within the group but an abundance of enthusiasm was shared by all. A wide variety of scenarios were discussed and throughout the day candidates never ceased to offer a multitude of varied and insightful solutions. As the course wound down all agreed that this course format offered a useful and unique approach to leading a hike. Congratulations to our new hike leaders.

I would like to thank the Elliot Lake Coureurs de Bois Club for their assistance in providing the club house, a free lunch and financial support for our candidates. I would also like to thank Wendy Hoernig and David Francis for their patience and help as I organized the course. Lastly, I would offer my thanks to the new hike leaders. Some have now begun to lead hikes and others will be joining them shortly. Your commitment and dedication to the hikes is what will keep the Elliot Lake Coureurs de Bois Club active and vibrant.

## Should We Keep the Events Calendar??

For over a year we have been experimenting with an online calendar of outings, meetings, and other VTA events (see [www.voyageurtrail.ca](http://www.voyageurtrail.ca)). This is a 'beta-version' – it has some basic features of an events calendar and was developed by member Ian Graham. The beta version lacks some desirable niceties that could be added in a full version - for example, features allowing outing leaders to add and make changes to their own outing details, and allowing members to register for a hike and see who else has registered.

New trail users have discovered us through this calendar, and members from other clubs have joined neighbouring club outings as well. Although there has been positive feedback about the calendar, the future of the calendar is uncertain. Here's why. Outing information is also available through each section's page of the Voyageur Trail website, although it may not be easily found, especially by non-members. Furthermore, a new website is currently being developed that will make the section's event information easier to find.

The challenge is to have the calendar used regularly by all clubs. We need your feedback! Do members wish to see the calendar continue? As an outing leader, would you use the calendar to add and update your outing details? Would you like to see on-line registration for outings?

It's entirely possible that the calendar is just a little ahead of its time – please tell us if we should continue it. Provide comments to Steve Dominy [sdominy1203@gmail.com](mailto:sdominy1203@gmail.com)

### GPS Trail Maps Available

Members are reminded that maps for Garmin GPS units are available at a reduced price for VTA members. These maps were developed by Bob Sinclair for downloading to your GPS unit, and are particularly useful for helping locate trail access points, and for navigating on lesser-used portions of the Voyageur Trail. The maps contain waypoints and tracks for the entire completed parts of the trail (including the sections in provincial and national parks), superimposed on a portion of a digital topographic map of the area (several kilometres each side of the trail). You can purchase four different maps sets at \$10 each, or \$30 for all four sets. Check the on-line store ([www.voyageurtrail.ca](http://www.voyageurtrail.ca)) for more details.

### LOOKING FOR HELP!!!

To the Saulteaux Voyageur Trail Club: Looking for Help... To assist with meetings and participation in the planning of the Algoma War of 1812 Bicentennial - An event to commemorate 200 years since the taking of Fort Mackinac planned for July of 2012! Wouldn't it be awesome to commemorate this very important local event in our nation's history! Mark Crofts has volunteered to be the team lead for this event...we're just not sure what form the event will take...your help is needed to share ideas and get a concrete plan in place. We have 300+ days to make it happen! Please contact Mark by phone @ 705-254-2356 if you can help.

## Happening this Fall in the Algoma Region...

### Algoma Highlands Conservancy Bike and Hike Day!

Help us wrap up summer with a bang! The AHC and our friends from the Sault Cycling Club, the Voyageur Trail Association and Stokely Creek Lodge invite you and your family to come out and get active in our conservation forest.

Join us on **Sunday, September 18, 2011** at Stokely Creek Lodge's Hannes House (a.k.a The Day Skier's Cabin) in Goulais River, Ontario for a fun-filled day of guided hikes and bike rides!

This FREE event will go from **1pm to 5pm** (rain or shine!). Please register in Hannes House when you arrive so that we can arrange your guided hike or bike ride. Be sure to bring any appropriate gear for the activity you wish to engage in! For those who want to bike, due to the nature of the trails, mountain bike and some experience required.

Stokely Creek Lodge will be serving food between **3pm-5pm** at a cost of \$10/plate (\$6/plate for kids 10-years-old and under). The food will include hamburgers, vege burgers, sausages, salads, fruit drinks and dessert. Meals must be reserved and paid for (by credit card) in advance. Please call the AHC at 1-705-649-5751 to make arrangements. Please note that Stokely Creek Lodge is now licensed under the LCBO as well!

**MORE INFORMATION SOON TO FOLLOW!** If you have any questions please do not hesitate to contact the AHC by phone or email ([info@algomahighlandsconservancy.org](mailto:info@algomahighlandsconservancy.org)). The AHC's mountain bike trails were made possible through a generous grant from Mountain Equipment Co-op! See the "What's New" section of our website for more information.

## Guidebook Committee Request

The guidebook committee has been busy preparing for the next edition (4.1). One task for which help is still being sought is to help sell ads. This involves making phone calls to businesses that have goods and services of interest to trail users across the region. Please contact Steve Dominy (see back page) to discuss this opportunity.

### Buy a Gift Certificate!!

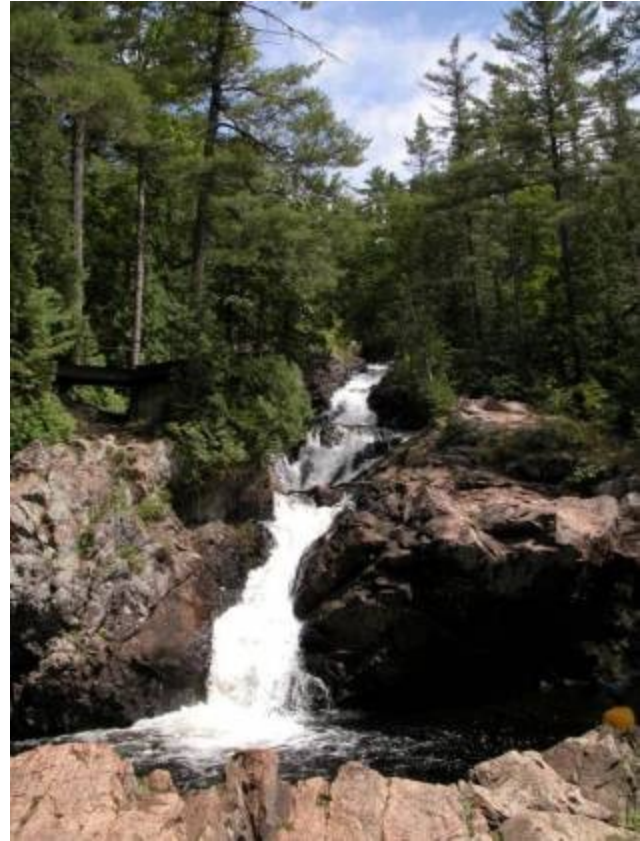

Looking for a practical gift for that outdoor lover on your list? Consider buying a gift certificate valid for purchases made through the on-line store. The store offers new or renewed memberships, guidebooks, GPS maps and more. Certificates can be purchased using your credit card on our secure PayPal site. Visit [www.voyageurtrail.ca](http://www.voyageurtrail.ca).

## New Loop Trail Complete

The Saulteaux Club has recently completed the new two-kilometer Kinsmen-Hiawatha loop trail.

This yellow-blazed trail replaces the blue-blazed trail to the top of Crystal Falls and extends the path to the bottom of the falls and then up and through Kinsmen Park. It crosses Landslide Road (aka Hub Trail) just north of the park entrance. West of Landslide Road the trail path enters the now thirty-year-old CIF Anniversary red pine plantation through a break in the cedar rail fence. It then traverses the varied forests of Mockingbird Hill Farm before heading north to Sixth Line where it connects with the main trail just below the bluff.

Many thanks to Don McGorman and all the volunteers who helped develop this trail over the past two years!!

### Donate On-Line!!

The Voyageur Trail Association is able to accept credit card donations on-line. Payments are made via our secure PayPal site, through the on-line store.

## Bike Tour on St. Joseph Island *by Steve Dominy*

Here's a great way to escape the biting insects: hop on your bike and ride the back roads of St. Joe's Island! A group of 8 started out at the Highway 17 turnoff, and took 20th Sideroad and Hilton Rd. to Hilton Beach. After a leisurely lunch we headed back along Canoe Point Rd., Gawas Bay Rd. and 20th Sideroad back. The ice cream at Kent's Corners was definitely worth waiting for! Monique demonstrated a Tai

Chi (not to be confused with Chai Tea!) move on a rare piece of uninhabited beach (thanks for finding this spot, Gail) - and others tried to imitate - the pictures say it all. By this time (mid-afternoon), the 3 cyclists who joined us from Elliot Lake/Sudbury had rejoined their support vehicle (driver Dave who couldn't cycle because of an injury) and were heading elsewhere on the island. The weather was perfect - although hot, being near the water made quite a difference. Many thanks to Larry (in the neon green) for leading this outing (hope he made it back to the Sault - he cycled there and back!).

*Erratum: In the Voyageur Trail Jubilee Ballad that appeared in the spring 2011 newsletter, the name Allinson was misspelled (first line of second stanza).*

Note there is still space and the July 1st registration deadline does not apply. For more information, contact Sigrid Robinson at [Sigrid.gord@gmail.com](mailto:Sigrid.gord@gmail.com).

Photo taken July 23, 2011 in front of new sign at Plummer Cemetery. Sixteen hikers enjoyed a lovely walk along part of the Desbarats Section, from Mount Zion Rd. to Crystal Cove Rd. The blueberries were plentiful at the lookout over Rock Lake where we stopped for lunch. The day ended with an excellent potluck meal at the Ropke's, where some went for a dip in the Thessalon River. Thanks to Dieter and Erika for continuing this wonderful tradition. Photo: S. Dominy

## Guidebook Change

Please note the following change in the Voyageur Hiking Trail Guidebook Edition 4.0, Map 33 and page 114, Thessalon Section. *The most easterly portion of the Thessalon Section is being rerouted this fall onto Melwel Road, from A8 (42.4 km) to A9 (46.0 km).* The reason is the denial of trail access by a private land-owner. An alternate (off the road) may be explored in the future.

If you would like to receive your newsletter quickly and help the VTA save on paper costs and postage, please provide the Membership Secretary with your email address at [info@voyageurtrail.ca](mailto:info@voyageurtrail.ca). We do NOT share our list with anyone.

## Proposed Amendments to the Constitution of the Voyageur Trail Association

The following proposed changes will be voted on at the Annual General Meeting in October 2011 (watch the VTA website for the date and location).

### 1) Article 6 Distribution of Property

Paragraph 2 - If a member club is disbanded and delisted, funds in excess of \$500 will be held in escrow by the VTA for up to 5 years with the intent of returning those funds should that club reform. Any tools or equipment purchased by the VTA for that club will be returned to the VTA.

**2) Motion:** To make the Insurance Coordinator position an official Coordinating Council position with voting privileges.

**3) Motion:** To have up to two Directors-at-Large positions available on the Coordinating Council with voting privileges.

### Request for Guidebook Updates

Members are reminded to please advise the Guidebook Coordinator of any required changes to Edition 4.0 of the guidebook. A reprint is planned for winter or spring 2012 (Edition 4.1), and the committee is busy updating the maps and text to ensure they are as accurate as possible.

### Voyageur Hiking Trail Users' Code

- Hike only along marked routes. Do not take short cuts.
- Do not climb fences.
- Carry out all garbage (if you can carry it in, you can carry it out)
- Light cooking fires at official campsites only. Drench fires after use. (or better still carry a lightweight hiker's stove)
- Leave flowers and plants for others to enjoy.
- Do not damage live trees or strip off bark.
- Protect and do not disturb wildlife.
- Keep dogs under control (leash if necessary) and follow your club's guidelines concerning dogs.
- Respect the privacy of people living off the trail. Walk around the edges of fields, not across them.
- Leave only your thanks and take nothing but photographs. **BE A LOW-IMPACT HIKER!!**

**DECLARATION:** I understand that the Voyageur Trail is a wilderness trail and some remote or little-used sections may be in poor condition due to fallen trees or regrowth of vegetation. I understand I hike it at my own risk. I have read and will abide by the Trail Users' Code (above).
