## THANKS

The picture on the front of this newsletter is a photograph of the memorial plaque to Tom McGrath in place on the top of Mt. Gwyn on the Casque-Isles Section of the Voyageur Trail. The plaque was placed there on July 26, 1983.

To all those who contributed to this, both financially and physically, we extend our sincerest thanks and appreciation. You know that your contribution has gone to commemorate a fine person.

 A LETTER TO THE EDITOR

Ken Johnson,  
Voyageur Trail Assoc.,

May 25, 1983

Dear Sir,

I was happy to read about the plaque to Tom McGrath to be placed on Mt. Gwyn near Schreiber. I think that is lovely and appropriate, and I approve heartily. However, as owner of Mt. Gwyn, I shouldn't have to read about it in the newsletter first.

Incidentally, hoping this is published, I am a real nut about my mountain and all of nature, and if people carve momentos on the rocks on top of Mt. Gwyn, or if they deface the property or leave cans and paper around, I will go nuts.

I own various parcels which I love like a real collector and am deeply happy to share this with you and would like to share all of them - but please don't deface the rocks or trees or leave trash.

If anyone wants to buy the mountain, call (415) 843-8577.

Yours truly,  
Bob Roller, M.D.,  
Berkeley, Calif.

# ANNOUNCEMENT

WE ARE TEN YEARS OLD!

1983 is our tenth anniversary. We began in 1973, for those of you who remember. So let's make this year a memorable one.

The Voyageur Trail Association Annual General Meeting will be held on November 5, 1983 at 2.00 P.M. at Algoma University College, 1520 Queen Street East, Sault Ste. Marie, Ont.

This is the time to express your praises, criticisms, beefs and bouquets. Come out, meet your friends and meet some new faces.

Our guest speaker will be Karen Tierney, from Pukaskwa National Park, who will speak, of course, on Pukaskwa National Park!

Come on and help us celebrate our tenth birthday and have a good time yourself!

MEMBERSHIP RENEWALS ARE COMING DUE!

If you have not joined or renewed since September 1, 1983, your membership will expire on December 31 this year. Why not renew now, avoid the Christmas rush and spread the load out before Christmas for the Membership Secretary. While you are at it, why not order one of our attractive crests? If you already have one, isn't it getting a little faded? Time to replace it! Time also to get a guidebook if you don't already have one. See the notice about guidebooks in this issue. Also, don't forget to fill out the questionnaire that is included with this newsletter.

Our membership has not been increasing over the last few years. We need new members if we are to remain viable. See what you can do to recruit a new member. Most importantly, don't you forget to renew!
